

National PTA Reflections® Program Official Participation Rules

By entering the “National PTA Reflections Program,” entrants accept and agree to be bound by these Official Rules as well as the entry requirements for their specific arts category and division. Any violation of these rules may, at PTA’s discretion, result in disqualification. (The “PTA” referred to in these rules include all PTAs reviewing the entry). All decisions of the reviewers regarding this program are final and binding in all respects.

Student Eligibility: The Reflections program is open to all Texas students who meet the necessary requirements:

Schools Supported by a Local PTA/PTSA

- The student or at least one person from their primary household must be a current member² of the Local PTA/PTSA where the student is participating. Each Local PTA/PTSA may determine a date by which the member must join.

¹ Students who attend a school that is supported by a PTA/PTSA are not eligible to participate through the Lone Star Statewide PTA.

National PTA Reflections® 2017-2018 Theme: “Within Reach”

Only new pieces of artwork inspired by the theme may be submitted.

Grade Divisions:

Students may enter the Reflections® program in the appropriate division for their grade.

Primary: Preschool – Grade 2

Middle School: Grades 6-8

Intermediate: Grades 3-5

High School: Grades 9-12

Special Artist: All grades welcome (please refer to the Special Artist rules)

If students do not fall under specific grade divisions, National PTA suggests they be grouped by age (Primary: Up to age 7; Intermediate: Ages 8-10; Middle School: Ages 11-13; High School: Ages 14+).

Arts Categories: There are six arts categories – dance choreography, film production, literature, music composition, photography and visual arts. Students may enter the Reflections program in one or more arts categories with no limit to the amount of entries in a single category. See each arts category rules for additional entry requirements.

National PTA Reflections® Program Official Participation Rules

Entry Requirements: (All participants must also follow arts category rules)

- **Student Entry Process:** The student entry form must be complete with signatures and all contact information requested. Local PTA Reflections chair information must be entered where requested.
- **All entries must include a title and an artist statement.** The artist statement communicates what inspired the work, how it relates to the theme, and the content of the work. The statement must include 10-100 words.
- **All entries must be the product of the participating student's creativity.** The program is designed to encourage each student's individual creativity, help from an adult (except in the Special Artist Division) is not allowed.
- **Each entry must be the original work of one student only.** An adult may not alter the creative integrity of a student's work. Because the program is designed to encourage and recognize each student's individual creativity, help from an adult or collaboration with other students is not allowed except in the Special Artist Division. Other individuals may appear in or perform a student's work, but the work itself must be the creative product of one student only. Only one student may be recognized as the award recipient for each entry. See the specific arts category rules and special artist division rules for details.
- **Use of copyrighted material is prohibited,** except for recorded music in dance choreography and film production entries. Use of background music must be cited on the student entry form. Plagiarized entries will be disqualified. *Plagiarism* is defined as taking and using another person's ideas, writings, or inventions as one's own. Use of PowerPoint templates are prohibited.

FINALIST SELECTION AND NOTIFICATION: Entries are reviewed at local, council, state and national levels. Each PTA determines its own judges for the program. Entries will be judged primarily on how well the student uses his or her artistic vision to portray the theme, originality and creativity. The National PTA Reflections® program makes no restrictions on content or subject matter in artwork. Under no condition may parents or students contact the judges to dispute the status of any entry.

Awards are announced at each level of judging at the Coordinator's discretion. Texas PTA award results will be posted on the [Texas PTA website](http://www.txpta.org) in March. National award recipients are notified via email by National PTA in May. The PTA in its sole discretion will select finalists for exhibition and provide awards.

Ownership and License: Ownership in any submission shall remain the property of the entrant, but entry into this program constitutes entrant's irrevocable permission and consent that PTA may display, copy, reproduce, enhance, print, sublicense, publish, distribute and create derivative works for PTA purposes. PTA is not responsible for lost or damaged entries. Submission of entry into the PTA Reflections program constitutes acceptance of all rules and conditions.

PARTICIPATING ENTITIES: This program is administered by the National Parent Teacher Association (PTA) and PTA affiliates. Parent groups not affiliated with National PTA are not eligible to sponsor this program.

Special Artist Division Rules

ELIGIBILITY. The National PTA Special Artist Division is an option for students with disabilities who receive services under IDEA or Section 504 to have the opportunity and accommodations they may need in order to participate fully in the program. The Special Artist Division offers modified rules and guidelines to ensure that every student has the chance to be part of the National PTA Reflections® program. The other necessary requirements are as follows:

Schools Supported by a Local PTA/PTSA

- Students must attend a school with a Local PTA/PTSA which attains Active Status¹ no later than October 31; or students must attend a school which is defined within the service area of a community-based Local PTA/PTSA which attains Active Status¹ no later than October 31.
- The student or at least one person from their primary household must be a current member² of the Local PTA/PTSA where the student is participating. Each Local PTA/PTSA may determine a date by which the member must join.

¹ Active Status requirements are stipulated as part of the Texas PTA Standards of Continuing Affiliation.

² The Local PTA membership year is August 1 – July 31 each year.

Home-School Families, Virtual Schools and Non-PTA Schools

- Students who attend a school that is not supported by a Local PTA/PTSA may participate through the Lone Star Statewide PTA¹, as long as the student or at least one person of their primary household is a member of this PTA no later than October 31. Joining is easy at www.joinpta.org.
- ¹ Students who attend a school that is supported by a PTA/PTSA are not eligible to participate through the Lone Star Statewide PTA.

Who qualifies as a disabled individual under the law? The Americans with Disabilities Act (ADA) defines an individual with a disability as a person who: (1) Has a physical or mental impairment that substantially limits one or more of the major life activities of that person; (2) Has a record of such an impairment; or (3) Is regarded as having such impairment.

HOW TO ENTER. Students who identify as having a disability have two ways to enter the National PTA Reflections® Program. All students may enter in only one division. Student Entry Form requires parent/legal guardian signatures.

- **Option 1. Enter in Grade-Level Divisions:** Regardless of age, students with special needs may enter in the grade division most closely aligned to their functional abilities. Students may not receive assistance other than that which is allowed for all children. The divisions are as follows: Primary (preschool – grade 2); Intermediate (grades 3-5); Middle School (grades 6-8); High School (grades 9-12). Students are recognized and awarded as part of the general student population without regard to special needs or challenges.
- **Option 2. Enter in Special Artist Division:** Eligible students entering the Special Artist Division create their own artwork, but may receive non-artistic accommodation and assistance from an adult. Students are recognized and awarded as part of the Special Artist Division.

SPECIAL ARTIST GUIDELINES. Special artists should follow the general rules and guidelines outlined in the arts category student rules specific to their submissions, modified only by accommodations for individuals with disabilities. The accommodation, in general, should be both specific and limited to the student's disability.

Allowable Accommodations: Given the diverse range of physical and mental disabilities that exist, it would be impossible to outline specific accommodations for each and every disability, but the following provides a non-exhaustive list of allowable accommodations:

- The Special Artist Division will not be divided by age or traditional school grade level.
- Use of adaptive technology is allowed.
- All submissions must be solely created by the special artist. However, a parent, teacher or other adult may assist the special artist with typing, holding a camera, etc.

Accommodations that are Not Allowed: Individuals providing assistance to special artists may not, in any way, involve themselves in the actual artistic process by:

- Personally selecting a title for artwork.
- Writing, editing or interpreting a student's artist statement, story, poetry or script.
- Choreographing a dance, composing music or writing lyrics.
- Drawing, painting or personally creating a visual arts submission, choosing a camera angle, etc.

Dance Choreography Rules

DANCE CHOREOGRAPHY is the act of creating movement. The *choreographer* (student submitting entry) may be the performer or one of the performers, but the choreographer does not have to perform in the entry.

2017-2018 Theme: *Within Reach*

Consider the following styles and ensembles to portray your original choreography: Ballet, contemporary, ethnic and folk, freestyle, hip hop, jazz, street dance, and tap. The dance can be performed by an individual or a group, although only one student may be the *choreographer* (student submitting entry).

Originality: Only new and original choreography inspired by the theme may be submitted. Each entry must be the work of one student only.

Consider use of background song(s), props and the location to show a clear relation of the dance choreography to the theme. An explanation of the origin of the dance and/or the significance of the choreography might be a useful addition to the artist statement when submitting a dance choreography entry that involves traditional, cultural or regional dances. Whether an entry displays formal dance technique or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme, originality and creativity.

Copyright: Use of copyrighted material is prohibited. Plagiarized entries will be disqualified. Use of background music must be cited on the student entry form.

Presentation: Video must not exceed 5 minutes in length and 1GB (one gigabyte) in file size.

Ideas for Audio/Visual Quality: Use a tripod to hold the camera still. Make sure there is plenty of lighting, especially if shooting indoors. Turn off all noise-making devices in the room (air conditioners, fans, telephones, etc.). Record a short test and watch it. If needed, change the record volume or microphone location. Make sure the background music (if any) is audible on the recording. Allow for two seconds of silence at the beginning and end of your recording.

Judging: Entries will be judged on mastery of the medium (worth 8 points), artistic merit (worth 12 points), and interpretation of the theme (worth 20 points). Mastery of the medium in the context of the national Reflections Program pertains to the level of skill the student demonstrates in the basic principles/ techniques of the arts area. However, a well-developed concept is more important than technique. Entries will be judged primarily on how well the student uses his or her artistic vision to portray the theme. Many times, the artist statement will make a huge difference during judging because this is where the artist can explain in their own words, their thoughts and feelings for their piece.

Packaging:

- Accepted video file formats include: AVI, MOV, MPG, MPEG, MP4, WMV, FLV and F4V.
- Label video file and CD/USB Drive with your State, Arts Category, Grade Division, First & Last Name
- Pack the DVD in a large envelope and use masking tape to secure your Student Entry Form to the outside of the envelope using a sheet protector, so that it is still accessible for photocopying. Do not tape over the opening of the sheet protector.

Submission Requirements:

- The student or at least one person from their primary household must be a current member of the Local PTA/PTSA where the student is participating. Each Local PTA/PTSA may determine a date by which the member must join.
- Only new pieces of artwork inspired by the theme may be submitted.
- Each entry must be the original work of one student only.
- Cite background music (if any) on the student entry form.

All participants must also follow Official Rules for Participation.

National PTA® Reflections

All screenwriting, directing, camera/filming and editing must be done by the student producer. **PowerPoint presentations are prohibited.**

2017-2018 Theme: *Within Reach*

Consider the following styles to portray your original work of fiction or nonfiction:

- Documentary: Presents facts and information.
- Experimental: Explores movement, light and montage.
- Multimedia: Uses a combination of different contents (text, audio, still images, animation, etc.).

Originality: Only new and original videos inspired by the theme may be submitted. Each entry must be the original work of one student only.

Copyright: Entry may include public places, well-known products, trademarks or certain other copyrighted material as long as that copyrighted material is nonessential to the subject matter of the piece and/or is a smaller element of a whole. Use of background music must be cited on the student entry form.

Presentation: Video must not exceed 5 minutes in length and 1GB (one gigabyte) in file size.

Ideas for Audio/Visual Quality: Use a tripod to hold the camera still. Make sure there is plenty of lighting, especially if indoors. Turn off all noise-making devices in the room (air conditioners, fans, telephones, etc.). Record a short test and watch it. If needed, change the record volume or microphone location. Make sure the background music (if any) is audible on the recording. Allow for two seconds of silence at the beginning and end of your recording.

Judging: Entries will be judged on mastery of the medium (worth 8 points), artistic merit (worth 12 points), and interpretation of the theme (worth 20 points). Mastery of the medium in the context of the national Reflections Program pertains to the level of skill the student displays, whether it be with use of technologies or a simple approach. *Software used to create an entry should only enhance and present the work, not provide the primary design.* However, a well-developed concept is more important than technique. Entries will be judged primarily on how well the student uses his or her artistic vision to portray the theme. Many times, the artist statement will make a huge difference during judging because this is where the artist can explain in their own words, their thoughts and feelings for their piece. An explanation of the storyline and/or the significance of the film style might be a useful addition to the statement.

Packaging:

- Accepted video file formats include: AVI, MOV, MPG, MPEG, MP4, WMV, FLV and F4V.
- Label video file and CD/USB Drive with your State, Arts Category, Grade Division, Last and First Name

- Only new pieces of artwork inspired by the theme may be submitted.
- Each entry must be the original work of one student only.

All participants must also follow Official Rules for Participation.

An interpretive translation in English must accompany the entry. Translators should make every attempt to retain the same level of language and accuracy that is reflected in the student's original work.

Judging: Entries will be judged on mastery of the medium (worth 8 points), artistic merit (worth 12 points), and interpretation of the theme (worth 20 points). Mastery of the medium in the context of the national Reflections Program pertains to the level of skill the student displays, whether it's a formal writing technique or a simple approach. However, a well-developed concept is more important than technique. Entries will be judged primarily on how well the student uses his or her artistic vision to portray the theme.

Many times, the artist statement will make a huge difference during judging because this is where the artist can explain in their own words, their thoughts and feelings for their piece.
