

Back the Future with OKE PTA 2017-2018

OKE PTA provides programs that **enrich and support our children's education** including Eureka science experiments, library enhancements, Smart Board and iPad purchases, PE and playground equipment, Reflections Art and art room supplies, author visits, Special Buddies Program/wheelchair swing, Watch DOGS, campus beautification, staff development and curriculum support, yearbook, teacher appreciation, and more. Our programs are made possible through the generosity of our members with their dues, Aussie Bucks donations, and fundraising events.

Dues are only \$9.00 per person (a portion going to Texas and National PTA) and **each member receives an OKE SPIRIT STICK and electronic School Directory**. Moms and dads, grandparents, aunts and uncles, community members are all invited to join and BACK THE FUTURE. Our goal is one member voice for each child enrolled at OKE, or 100%. The OKE family has supported PTA with 100% membership every year since opening in 2003. Texas and National PTA use the power of our membership to support legislation that improves health, well-being, and educational opportunities for every child.

*As much as PTA welcomes all members to volunteer their time at school, we understand that it is not always possible. You will be called to volunteer **only** if you have shown an interest by signing up for a specific volunteer opportunity.*
